When the 15 club owners go into session tomorrow they will meet to discuss the plan of baseball reorganization and choosing Buffalo, N. Y., for the 1911 meeting. The annual convention was closed. The committee selected to meet with the major league owners probably will not go into conference with them until after the threatened major league war is settled.

Tigers and Calumet Are Ready to Clash On "Grid" At Stadium

added a tower of strength to the Calumet team and will undoubtedly figure largely in the game Saturday.

The Tigers have planned a ship's tail parade through the streets of the city tonight to advertise the game, and the entire student body has been urged to take part. Several unique features are being arranged for the parade.

One of the greatest pep meetings and "hip" rallies ever held at the El Paso high school took place yesterday under the direction of Eric Munro. Munro used his gifts of oratory to such an extent that the assembly became almost frantic with enthusiasm.

Major English, assistant coach and assistant supporter of all athletics in school was then called upon by Munro.

He stated that in all his football experience he had never yet seen a school football team so equal to the Tigers in spirit and real football class.

HOSPITAL TEAM TO PLAY SLAM WILSON AGAIN

Col. White Gives Authority For Organization of Team With Wilson and Niles Playing.

"Slam" Wilson and Niles, two of the best players in the history of the El Paso hospital football team, will play the seventh cavalry team Saturday afternoon, starting just long enough to defeat the Texas School of Mines 13 to 7 in the first game of what is to be an annual affair upon the schedule of both teams.

For the first half of the game the Mines played a defensive football and it was during this time that both Aggie tackles were sent across the line.

For the remainder of the contest the best the Mines boys could do was to get to the ten yard line as the Aggie line held strongly and refused to break.

The Aggie team was able to place in the Arizona game one week ago and did not show its accustomed form, many of the players being new to the game.

Aggies Win

NEW MEXICANS WIN VICTORY OVER FAST TEXAS MINES TEAM

It is not as heavy as the team of last year, but at that it was quite a weight advantage over the Mines. The Aggie line was a type which is a lot of fun to play with. The Mines backfield showed an improvement. This boy Edwards looks good. He hits the line well and never failed to go in for an extra yard.
